

WHAT IS IMPORTANT TO ME

1. **Knowing that my to-do lists, as well as my papers, are not getting out of control and that I am able to understand what people expect of me**
2. **Getting to the bottom of a tricky problem and solving it gives me great satisfaction**
3. **Being involved in decisions that will affect me and my team and knowing that my opinions matter**
4. **Leaving work, at the end of the day, feeling that I have learned something new - At Montage it happens every day!**

Things I like:

- **My family and friends.**
- **Positive people**
- **Great food and good wine**
- **Badminton**
- **Historical movies**
- **Family reunions**

Things I don't like:

- **Feeling rushed.**
- **People who are not genuine**

The best way to support me at work:

1. **Keep things simple whenever possible**
2. **Set clear deadlines, as they help me to prioritize and ensure that nothing gets missed**
3. **I really like to get feedback on my work and appreciate honest opinions that help me grow professionally**
4. **I like to be given time to think about a project, as my best ideas usually strike me when I am outside of the office**
